## REVIEWS

"...it's the rice and bread that will keep you patronizing this small local chain, so good as to inspire sudden cravings." -Washingtonian

"Diners flow into Moby at a pretty consistent rate, with lunch time being particularly busy. This in no way impedes the pace or quality of service.... The food is fresh and cooked perfectly..." -The Examiner

I've long thought Moby Dick to be among the great eating bargains in the metro area. -The Washington Post
